

TALENTWUNDER.  
PARTNER MANAGEMENT.

# RECRUIT. SMART. PEOPLE. WITH TALENTWUNDER.

Expand your opportunities and portfolio with [Talentwunder](#) and our candidate search artificial intelligence.

Whether it's network diversity, artificial intelligence, Sourcing as a Service, or our bootcamps, you'll get the tools you need to be more successful in active sourcing.

# ADDITIONAL SERVICES.

With our Insourcing service, we help you find the perfect candidates\* and simply take the work off your hands. The process:

## CONSULTATION.

In a 30-minute onboarding call, our recruiting specialists record your position in detail. We agree with you on the project and how the candidates should be approached.

## PIPELINE.

Our team identifies the right candidates for your open position. All you have to do is review and approve the talent - and we'll get to work.

## APPROACH.

Based on our extensive experience, we always formulate the individually suitable cover letter for the candidates. This gives them a first impression of your company.

## INTRO.

As soon as the talents are interested in getting to know each other, we hand over the candidates to you and you can contact them immediately for your company.

## OVERVIEW.

The best part? You can follow the process in real time in our Talentwunder app and access the candidates in your talent pool for another 12 months.
